B.S. Interaction Design

Anticipated 2022

Santa Monica College (SMC), Santa Monica, CA

B.A. Studio Art

2012

Humboldt State University, Arcata, CA

Projects

Wayve | UX DESIGNER AND RESEARCHER

SMC - FALL 2020

Interactive kiosk to enable seniors to access Santa Monica Big Blue Bus transit information during COVID-19.

- Observed and interviewed 20 Big Blue Bus passengers remotely and onsite from a social distance to identify their goals and pain points.
- Designed wireframes, UI animations, and prototypes using Figma, Adobe Illustrator, and Adobe Photoshop to enhance the user experience.

Panelle | UX DESIGNER AND RESEARCHER

SMC - Spring / Summer 2019

A comic e-book app for girls to access age-appropriate comics that they can relate to.

- Collected quantitative data via observation and interviews.
- Developed design systems, wireframes, UI animations, and prototypes using Figma and Adobe Illustrator.

SPOT | UX DESIGNER AND RESEARCHER

SMC - Spring 2019

A photography location scouting app that provides students with resources to discovering photography locations without pre-planning.

- Interpreted the user's experience through persona's, journey maps, wireflows, and storyboards to inform the prototypes created with Invision and Adobe Illustrator.
- Pitched and presented ideas to stakeholders.

Experience

Home Health Care

2013-2018

- Administered care and assisted patients with their quality of life.
- Organized paperwork, finances, and scheduling.
